HOSPITAL VISITORS

No visitors will be allowed for hospital patients except for end-of-life situations.

OUTPATIENTS / THERAPY PATIENTS

- Only patients will be allowed into the building for physical therapy, labs, radiology, or clinic visits.
- All patients are required to wear a mask.

CLINIC PATIENTS

- CALL for an appointment. Screening questions will be asked, and patients should be forthcoming with ALL symptoms they are experiencing.
- Only patients will be allowed in the clinic. Anyone accompanying the patient must wait in their vehicle.
- Patients who meet COVID-19 criteria are asked to:
 - come to the clinic at their scheduled appointment time and call to notify the clinic of their arrival;
 - remain in their vehicle, and clinic staff will come to the vehicle to evaluate them.
- Telehealth visits are also available – appointments must still be scheduled by phone.
- All patients are required to wear a mask.

WELLNESS CENTER

The Wellness Center is currently closed to the public.

OTHER

- The hospital lobby is closed.
- The NGH Business Office is closed to foot traffic. If you have questions about hospital business or your patient account, please call (940) 825-3235.
- All staff, medical professionals, and other essential visitors must also be screened upon arrival.
